

Excellence with Intrapreneurship

Overview

"Intrapreneur is a person within a large corporation who takes direct responsibility for turning an idea into a profitable finished product through assertive risk-taking and innovation"

- 1992, The American Heritage Dictionary.

The **Excellence with Intrapreneurship** Program is intended to sensitize leaders with qualities of Intrapreneur and motivate them to work within organization like Entrepreneurs – **Innovatively**, with **positive attitude** and **full accountability**, while maintaining **holistic business view** and shading inhibitions.

What to expect

The **Excellence with Intrapreneurship** Program is ideal for,

- To understand overall business facets of 'Concept to Commercialization' of ideas
- To inculcate culture of solution focused thinking
- To navigate through constraints for achieving success and develop competencies to face new challenges
- To work with increased accountability and driving innovation while reducing overheads
- To recognize key characteristics of an Intrapreneur and get practical tips to explore and implement one's own Intrapreneurial skills

Program Structure

The program flow captures key characteristics of Intrapreneur by connecting them to human mind, heart, and actions. Program has special emphasis on individual core values and how it contributes to their commitment and decision-making.

The program is structured to support sustainable learning for the participants and to encourage participant to practice key learnings in real world scenarios.

Day	Program Element	Duration	Purpose
1	Workshop	2 days	Share the concept and encourage participants to build personal Intrapreneurial action plan
3-21	1-1 meeting	30-60 mins	Support execution of Intrapreneurship skills
28	Closure meeting	60-90 mins	Share experiences to create sustainable learning
